Hi Sarah,

We were able to locate reports but not for the COCs you attached in your original email. I can release the reports to Michael Watts who is listed on the sample acknowledgement and report. Unfortunately, since you are not listed on the report I am unable to send them to you. My apologies for the delay I received the information yesterday late afternoon.

Hi Terri,

All testing was done at Eurofins Eaton Analytical (Monrovia, CA). Is there someone else I could/should contact from that location?

Hello Sarah,

I looked into our system and we don't have record of any reports during that time for Freese and Nichols. Please confirm Eurofins did the testing for you.

Hi Teharah,

Here are the samples I requesting results for. I know these are from over a decade ago, but hoping you still have results on file.
